

ECFA Documentary Award 2025
GRANDPA HAS A BROKEN EYE AND
MOM IS AN ADVENTURE
by MARITA MAYER

The films nominated for the ECFA Doc Award at **doxs!** were very diverse, high quality and representative of a wide range of current issues. Although the decision was very difficult, the film we chose stood out for its playful yet sensitive approach to a serious topic.

The director was able to translate the perspective of young children into beautifully animated, metaphorical images that provide an easy access to complex realities. A documentary in the form of an animated film allows for the respectful capture of the voices and feelings of the young protagonists. The distinctive aesthetic style, that is enriched by drawings of children, and the well-chosen soundtrack create a powerful emotional impact. For all these reasons, "GRANDPA HAS A BROKEN EYE AND MUM IS ADVENTURE" by Marita Mayer deserves our recognition and this award.
